

Decking & Railing

Elegance decking systems are the smart solution to the decking question. They provide a cool, skid resistant surface- 40% more skid resistant than wood. Made to withstand the wear and tear of everyday life, they are free of sharp edges, splinters and nails - perfect for children and pets. The only maintenance the rail and deck system requires comes in the form of a garden hose. The only demand on your time is leisurely. Elegance provides the maximum in safety, durability and style.

Teck Deck®
Contempra

A selection of rail systems and decks allows you to create a unique personal look. All Elegance decking and railing is available in white, tan or gray.

Liberty Deck™
Woodgrain Liberty Deck™
SureGrip

Vinyl Products

Fencing, Railing & Decking

*B*uilt from high performance materials with a number of designs, Elegance Vinyl Products are the ideal choice for privacy, safety and security. Elegance fences will not rot or split, and there are no splinters or nails to cause abrasions. Vinyl is virtually maintenance free. It resists stains and is unaffected by salt and most snow removal chemicals. An occasional rinse with the garden hose is the only upkeep it needs. With their durable designs, Elegance fences keep their appearance far longer than those made of traditional fencing materials. Unlike traditional fencing which has a tendency to bow, warp and twist with age, the Elegance Vinyl Products will continue to look as perfect as the day they were installed for years to come.
